

Members Only Web Site

Connecting for the first time

If you have not connected to the members only site yet you will need to create a password. Go to <http://members.nationalbuttonociety.org> and enter your email address in the upper right hand corner. Then click on "Forgot Password".

The screenshot shows the top navigation bar with the NBS logo and a collection of buttons. Below the logo is a blue sidebar with links: Home, NBS Public Site, and Event Calendar. The main content area is titled "National Button Society Members Website". On the right side, there is a login form with fields for "Email" (containing "eschulz@aol.com") and "Password". There is a "Remember me" checkbox and a "Login" button. A yellow highlight is placed over a "Forgot password" link.

You will be directed to the "Reset Password" screen. Enter the Captcha Code and click on the submit button.

The screenshot shows the "Reset password" screen. It features the same NBS logo and sidebar as the previous screen. The main content area has a form with a "Your email" field (containing "eschulz@aol.com") and a "Code" field (containing "VDRS63"). Below the code field is a captcha image showing the text "VDRS63" with a "Submit" button below it. The footer contains the copyright notice "© National Button Society".

The next screen indicates that an email has been sent to your email account.

The screenshot shows the "Reset password" screen with a confirmation message. The message box contains an information icon, the text "Password reset instructions emailed. [Home](#)", and a note: "If you do not receive our email within a few minutes, please check your junk/spam filters and double-check the email address entered." The footer contains the copyright notice "© National Button Society" and the text "Powered by Wild Apricot Membership Software".

Check your email. You should receive an email like the following example!
